

Small Parts Storage

Bins

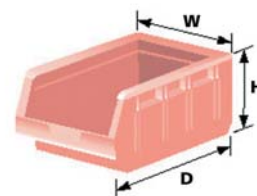

The louvre panel system is designed for open plan storage. Hook on bins combine with steel panels giving instant identification and easy access.

Our hook on bins are manufactured in high density polyethylene offered in six sizes and five colours to allow optimum storage and coding.

hook on bins are resistant to most acids, alkalis, greases and oils and temperatures from -35°C to +80°C.

Type	Dimensions WxDxH (mm)	Size (Litres)	Box Qty	Box Reference				Box Price £
				Green	Blue	Red	Yellow

Euro Boxes

All sizes are compatible with Europallets, boxes stack and interstack on a wide ledge.

Manufactured from high density, food grade polypropylene suitable for temperatures down to -20 degrees.

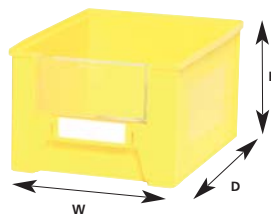

Types A, B and C have rear lips allowing use with louvred panels.

The boxes have a removable transparent front panel which may be use in the raised position to optimise bin capacity and come complete with handy label card.

Optional transparent dust cover lids are available.
